Notice of Hearing on Objections

You are hereby notified that the Assessment Equalization Board appointed by the Council of the City of Akron to hear objections to the amount or apportionment of the estimated assessments for the improvement of certain streets in the City between certain termini by providing street cleaning services and street lighting services per Res. No. 167-2024 will meet in Council Chambers, 166 S. High Street, 3rd Floor, on **Wednesday, July 24th at 1:30 p.m.** to hear such objections.

The board members have received a copy of your objection to review. Your attendance is not required for your objection to be considered by the board. The jurisdiction of the board is limited to determining (1) whether the property has been benefited by the improvement(s), and (2) whether the amount of the assessment is a proper apportionment of those benefits. The board cannot consider whether the project is necessary or revise the nature or the scope of the project, because City Council has already conclusively decided those matters.

By order of the Council of the City of Akron.

Sara R. Biviano
